Chicago Faucets & The Buy American Act

Over 1,700 Products and Growing!

In 1933, the Buy American Act was signed into law, requiring the U.S. government to prefer American made products in its purchases.

Today, the country has joined together to support the economic recovery, looking for ways to maintain and create jobs for the American worker. Selecting products that meet the requirements of the Buy American Act can help support jobs across the USA.

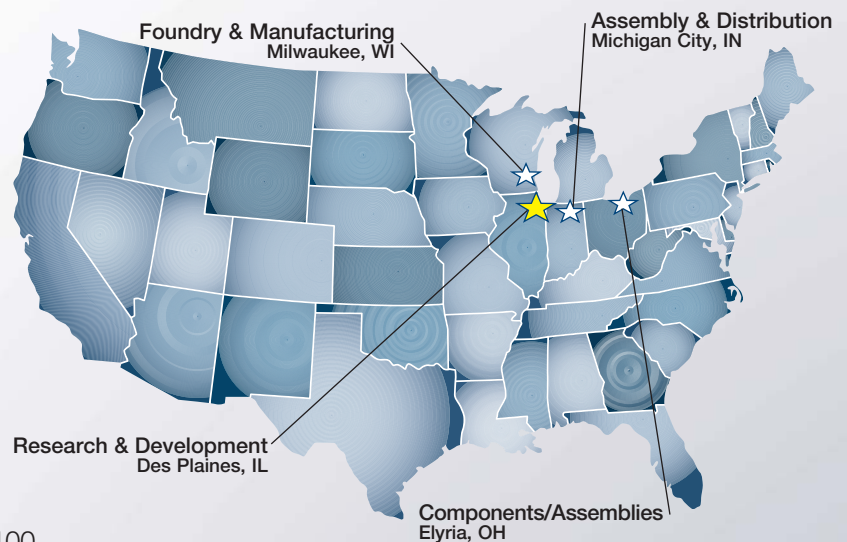

Over 95% of our products, more than 1,700 items, meet these requirements. We are proud to prominently associate our Buy American Compliant logo with products featured in our product catalog and on our website.

Chicago Faucets and the American Recovery & Reinvestment Act

The American Recovery and Reinvestment Act that President Obama signed into law on February 17, 2009, includes a provision favoring domestic sources. The Buy American provision included in this new bill establishes a general preference for goods produced in the United States.

The provision is designed to protect the American worker by saving and creating jobs with a requirement that projects receiving this new federal funding purchase American-made goods whenever possible.

Chicago Faucets has been America's leading manufacturer of commercial faucets for over 100 years. With manufacturing, research and development facilities located in the United States, you can count on products that are made with an unwavering commitment to quality, backed by know-how and determination that is uniquely American.
